# I/DD Transition into KanCare

---

## I/DD Integration into KanCare

- On February 1, 2014, the long-term services and supports for the HCBS Program for **8,500 individuals** with Intellectual and Developmental Disabilities (IDD) were included in managed care under KanCare.
- Kansas is the first State to include long-term services and supports for people with intellectual or developmental disabilities in its fully integrated contracts with managed care organizations

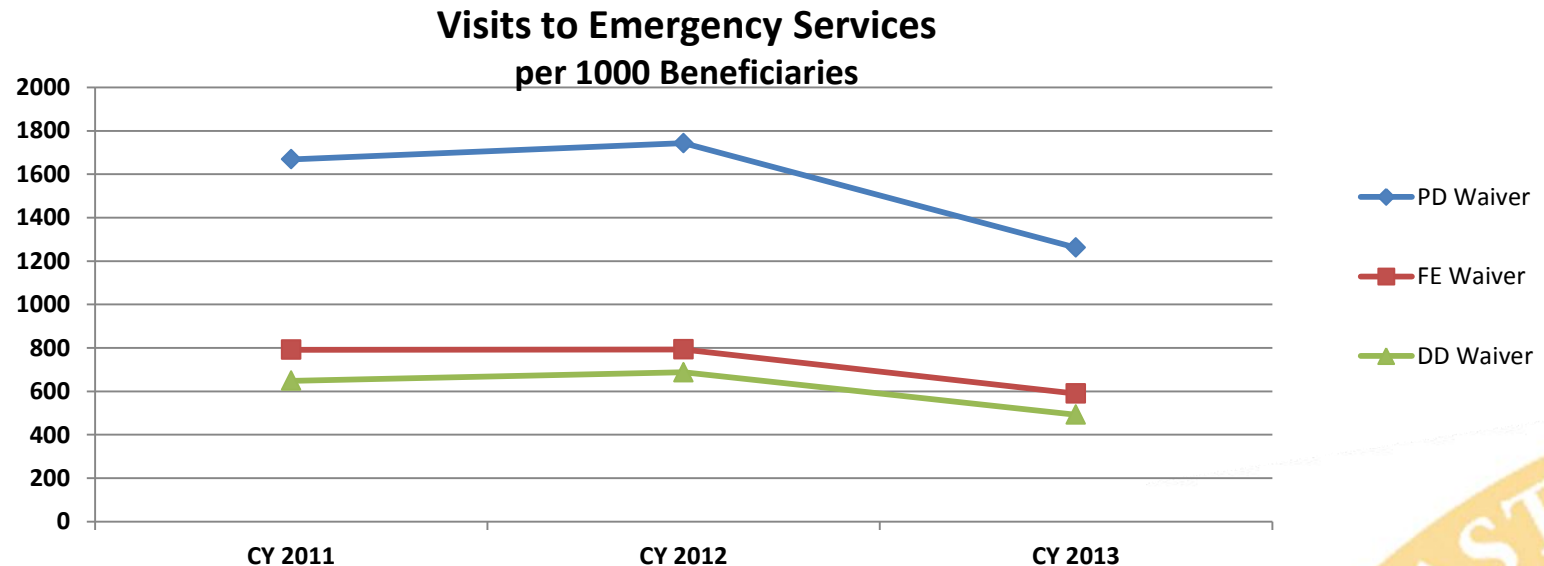

# HCBS Plan of Care Increases and Decreases

---

- In first year of KanCare, more people experienced increases in Plans of Care than decreases
  - 3,254 out of the 12,000 HCBS clients received an increase in services during their first year of KanCare.
    - ✓ 27% of clients received an increase in services
  - Around 1,300 out of the 12,000 HCBS clients received a reduction in services and another 400 voluntarily reduced their services.
    - ✓ 11% of clients had their services involuntarily decreased.

# HCBS Outcome Data

## Emergency Room Usage:

- **2013:** 8,061 fewer ER visits for the PD, FE, and I/DD waiver participants than in 2012 (pre-KanCare)
- **27% reduction per 1,000 people served.**
