Policies and procedures must be provided for:

| Topic | Regulation Reference |
|--|-----------------------------|
| Admission, Transfer and Discharge <i>(policies only)</i> | 26-39-102(a)(f) |
| Advanced Medical Directives | 26-39-102(b) |
| Disaster and Emergency Preparedness | 26-39-408 |

Policies are a statement that reflects the “rules” for practice. Policies should be written in clear, concise simple language and address what is the rule rather than how to implement the rule.

Procedures are a series of steps taken to implement a policy. Procedures are tied to policies; they list steps to follow in order to comply with the policy and should be written so all users can easily follow what needs to be done.
