To whom it may concern:

The Kansas Department for Aging and Disability Services (KDADS) has received your application for participation in the HCBS Final Rule Onsite Assessment Workgroup. KDADS appreciates your willingness to participate in the workgroup and to engage in discussion of the HCBS Final Setting Rule.

KDADS will review the applications and will promptly select the participants for the Final Rule Workgroup. Those selected for the workgroup will receive an email from KDADS including the dates, times, and locations of the upcoming workgroup meetings. If you are not selected for this workgroup, KDADS will retain your application for potential participation in future HCBS workgroups.

HCBS Final Rule Onsite Assessment Workgroup discussions will be conducted on an aggressive timeline and will require commitment from the participants. KDADS is mindful of your other obligations and commitments, so thank you for your willingness to participate in the workgroup.

Respectfully,

HCBS Program Management Team
