The table below contains the FY 2012 allocations based on KDOA's award from Administration on Aging (AoA) dates February 16, 2012. The FY 2012 SGF Nutrition allocation is based on the appropriations bill passed by the 2011 Legislature and is split into two components - "Intrastate Funding Formula Allocation" and In Home Nutrition Program (IHNP) set aside; and "Nutrition Performance Allocation." The Intrastate Funding Formula and IHNP set aside component is allocated using the Kansas Intrastate Funding Formula for all funds, except the IHNP set aside. The IHNP set aside allocation is equal to each PSA's FY 2004 IHNP allocation. The Performance Allocation component is allocated using the FFY 2010 total number of meals reported by each PSA.

Adequate Proportion – Older Americans Act – Title III-B

Adequate Proportion is that percentage (currently 34%) of the Title III-B allotment for a fiscal year that an Area Agency must budget and expend for Access, In-Home and Legal Services. The following percentages shall be budgeted and expended for each category of services.

<u>Service Category</u>	<u>Minimum Percentages</u>
Access	9
In-Home	15
Legal	5
Any combination of one or more Of the above service categories	<u>5</u> 34

The area agency, based on needs of its Planning and Service Area, shall budget and expend the remaining 5% of the adequate proportion amount for any one or a combination of the three service categories; i.e., Access, In-Home and Legal Services. These percentages are based upon the State Plan on Aging as approved by Administration on Aging.

Title III-D Medication Management

For FY2012 AoA is no longer requiring a portion of Title III-D to be appropriated solely for providing activities related to medication management, screening, and education to prevent incorrect medication and adverse drug reaction and have replaced that with an Evidence Based requirement. \$151,304 must be budgeted and expended as Evidence Based. *Of course, if an area agency did not expend its total allocation for FFY 2011, any carryover must be expended for Medication Management in subsequent fiscal years.*

The table below reflects the remaining FFY 2010/2011 Medication Management allocation by PSA. The total amount must be budgeted for FFY 2012.

Area Agency Administration Allocation – Older Americans Act

The area agency administration allocation is 10% of the state’s Title III service allotments. An AAA may use only Parts B, C (1), C (2) and/or E allocations to fund the federal share of its administrative costs. However, an AAA may **use only up to 10%** of its part E allocation to fund its administration cost. (That is, an AAA shall not use more than 10% of its Part E allocation to fund its administration cost.)

Area Agency Administration Allocation	
PSA’s 01-10	\$ 101,409
PSA 11	\$ 31,370

Nutrition Services Incentive Program (NSIP)

We recommend providers estimate NSIP revenues by multiplying the number of meals the provider plans to serve to eligible customers during FFY 2012 times \$.65 per meal. The actual FY 11 Kansas award was approximately \$.68 per meal.
