Directory of Mental Health Resources in Kansas

March, 2022

Laura Howard, Secretary of KDADS
Andrew Brown, Commissioner

(Revised March 1, 2022)
PREFACE

This publication is the twenty-second edition of the Directory of Mental Health Resources in Kansas. Copies of this publication can be printed by going to the following link: https://www.kdads.ks.gov/commissions/behavioral-health

Response to previous publications has been excellent and we hope this edition will be of equal value to persons using it. It is published to provide as current information as possible on the Community Mental Health Centers serving Kansas as well as other mental health resources. Obviously, there will be continuing changes in facilities and staff members listed, but we believe the basic information provided will be of assistance.

The listing of an agency, service, or individual does not constitute endorsement by Behavioral Health Services, nor does an omission infer disapproval.

Our sincerest thanks to personnel at all agencies and organizations for making available the necessary information used in this publication.

To update a listing in the Directory, please write or email:
