

# What We Do

KDADS administers long-term services and support programs throughout the state to assist older adults and people with disabilities. These person-centered programs serve individuals and families in a variety of settings. The Kansas aging network assists individuals in navigating the resources available to them.

# Aging Services and Programs

## Aging and Disability Resource Center (ADRC):

**1-855-200-ADRC (2372)**

Provides objective information, advice, counseling and assistance; empowers people to make informed decisions about their long-term services and supports; and helps people access public and private programs. The ADRC provides unbiased, reliable information and counseling to people with all levels of income.

## Medicaid Home and Community Based Services: Frail and Elderly (FE), Physical Disability (PD) and Brain Injury (BI) Waivers:

A system of community-based supports and services for persons in Kansas with disabilities, authorized under Section 1915(c) of the Social Security Act. The comprehensive services provided allow those who need care to receive services in their homes or communities.

## Medicare Programs (800-860-5260):

- **Senior Health Insurance Counseling for Kansas (SHICK):** offers one-on-one assistance, counseling and education to Medicare beneficiaries, their families and caregivers to help them make informed decisions about their care and benefits.
- **Medicare Improvements for Patients and Providers Act (MIPPA):** provides outreach and assistance to eligible Medicare beneficiaries to apply for benefits programs that help lower the costs of Medicare premiums and deductibles and helps promote utilization of Medicare preventive services.
- **Senior Medicare Patrol (SMP):** helps reduce Medicare and Medicaid fraud, waste or abuse through education, outreach, one-on-one assistance and problem resolution.

## Older Americans Act (OAA):

Supports a range of home and community-based services for older adults and family caregivers through an aging network established since 1965.

- **Supportive Services:** Access, In-Home and Community Services
- **Nutrition Services:** Congregate and Home-Delivered Meals, Nutrition Education
- **Health Promotion and Disease Prevention:** Evidence-Based Programs
- **Family Caregiver Support Program:** Information, Assistance, Case Management, Respite, Support Groups, Training and more!

## Program of All-Inclusive Care for the Elderly (PACE):

Provides comprehensive medical and social services to certain older adults living in the community. Most PACE participants are dually eligible for both Medicare and Medicaid. The primary care physicians and interdisciplinary team of professionals provide and coordinate all services, a "one-stop shop" for the individual's needs, primarily in the home and at the PACE Center.

## Senior Care Act (SCA):

Established by the Kansas Legislature to assist older Kansans who have functional limitations in self-care and independent living, but who reside in a community based residence if some services are provided. The program provides in-home services to persons who contribute to the cost of services based on ability to pay.
