ImportantThe required fields referenced in this chapter refer to system-required fields. These<br/>fields are required in order for the form to be saved in approved status.

The information that is required due to policy may be different from those that are system required.

# **Person Administration Requirements**

Introduction	Some KAMIS assessments require specific fields within Person Administration be completed before the assessment can be saved in Approved status. If these fields are blank, the assessment will return an error message when an attempt is made to save it as Approved, indicating the missing Person Administration fields.
Required Person Admin Fields for UPR Approved Form Status	<u>Person Admin/Home</u> : <i>Legal Name</i> (First and Last Names) <i>Gender</i> <i>Race/Ethnicity</i>
	A Residential Address Type with: Street City County - If out of state - use County "ZZ" State - If out of country - use State "ZZ" Zip
Page Navigation	The Main navigational tab (page) must be saved before the rest of the form is accessible. Once the Main page is successfully saved, the form will automatically advance to the next navigational tab/page, and all other pages can be accessed.

### Print View Navigation Tab

Purpose

The Print View navigational tab provides a printable view of the UPR. The Print View loads in a separate window.

A print icon is located at the top of the page. Click on the icon to launch the browser print menu in the Print View window.

The content of the UPR, with the saved information, makes up the rest of the Print View form.

To close the Print View, click on the X in the upper-right corner of the window:
