We'd like to hear your ideas and gather input.

The Kansas Department for Aging and Disability Services (KDADS) is working with Public Consulting Group LLC (PCG) to recommend different options that will support the Kansas IDD Targeted Case Management system in meeting the requirements of federal rules.

Throughout the project, KDADS and PCG will host multiple stakeholder meetings and invite individuals and families to participate. PCG aims to gather **input, ideas, concerns, and questions** from individuals and families who receive IDD targeted case management and HCBS services.

There are several stakeholder options available for individuals and families to take part in:

- Individual, family, and advocate meetings
- Interviews
- Online Feedback Form, visit <https://bit.ly/3snmzFU>

2024 MEETING DATES

April 19, 2024

May 17, 2024

12:00-1:00pm CST

Those who participate in an interview maybe eligible to receive a gift card!

If there are any questions about participation, the project, or your interest in participating please email us at ks_tcmstudy@pcgus.com.
