SIA contract management vendor works with KDADS on a case by case basis

Patient discharged to respective patient area state hospital when ready

Patient transferred and admitted to the State hospital

SBU admission approved**?

YES

NO

State Hospital admission

As of 10/27/2021:
1. The Qualified Mental Health Professional (QMHP) that conducting the screen and recommending involuntary hospital placement should refer the patient to the closest facility admitting involuntary patients with an available bed. The QMHP should review the HealthSource bed board to identify available facilities for involuntary placements at a SIA or state hospital.
2. If a patient is in law enforcement protective custody, the QMHP completing the screen should refer the patient to the closest facility admitting involuntary patients with an available bed.

* SIA contract management vendor = HealthSource Integrated Solutions
** There is no SBU option for female patients. Consider transfer to LSH or OSH
*** For voluntary patients administrative transfer is not an option and new admission should be initiated.
