

Professional Resource Family Care (PRFC)

Providing PRFC

Course Description

This course is aimed at helping the participant to more fully understand Professional Resource Family Care service as it pertains to the waiver and to learn about the role and responsibilities of the PRFC provider. This course has been approved by the State of Kansas to meet the training requirement for providing PRFC under the HCBS/SED Waiver in addition to KDHE Home Licensure; CMHC Orientation training; CPR; First Aid; and nationally recognized CI training.

Course Objectives

Upon successful completion of the online course “Providing Professional Resource Family Care,” the participant will have received a score of at least 80% on the Post Test. To attain this score, the participant will have an understanding of the service of Professional Resource Family Care, including:

- Reasons for PRFC
- Co-parenting approach
- Goals of the service
- Philosophy
- When to use PRFC
- How is PRFC different from Foster Care
- Provider expectations
- How to form and maintain relationships
- The treatment team
- Service requirements

Topics Covered in Providing Professional Resource Family Care

- Crisis stabilization option
