

# MFEI Software Training

WICHITA STATE  
UNIVERSITY

*TRAINING AND  
TECHNOLOGY TEAM (T3)*

# Training Overview

- Software Overview
- The MFEI Online Tool
- The MFEI Offline Tool
- Questions

# Software Overview

MFEI Software tools have been developed to support assessors in various settings as they complete the MFEI Assessment.

## **MFEI Online Tool**

The MFEI Online Tool allows the user to administer the MFEI assessment within the current KAMIS online system.

It is a browser-based application that works when connected to the internet.

## **MFEI Offline Tool**

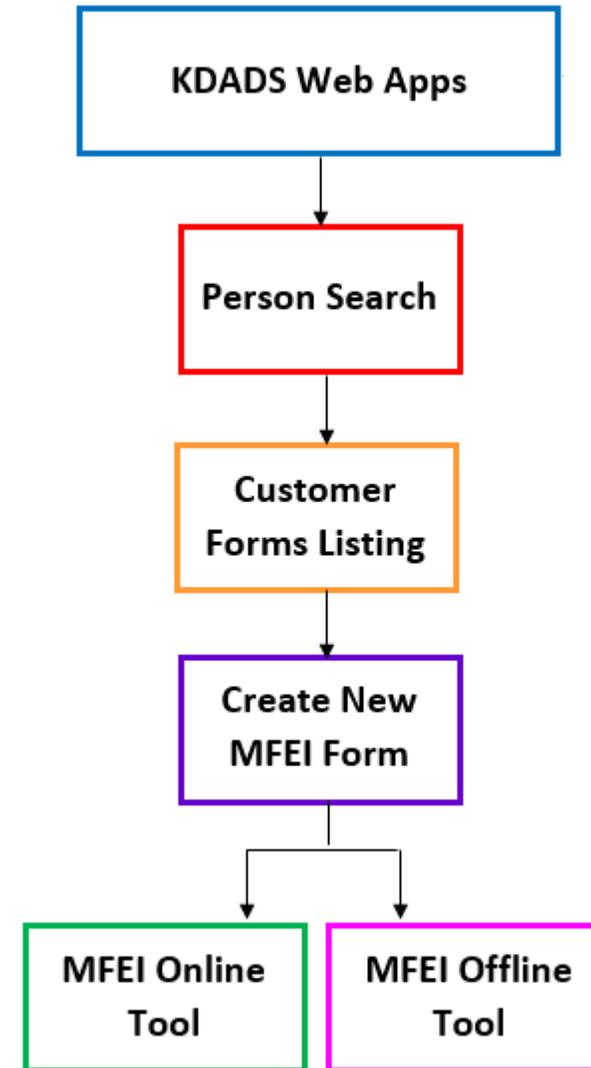

The MFEI Offline Tool allows the assessor to administer the MFEI assessment in the field.

It is a desktop-based application that works with or without internet connection.

# MFEI Process Overview

- MFEI tools are integrated with the current KAMIS (Kansas Assessment Management Information System) system.
- The diagram shows the interrelated components and we'll go into details in the next few sections.

# MFEI Tools Common Features

1. Skip Patterns / Logic
2. Informational Icons
3. Guided Messages & Alerts
4. Partial Save
5. Data Validation
6. Document Upload
7. Integrated Algorithm to determine Functional Eligibility

# Skip Patterns / Logic

- The software responds to the type of assessment chosen; the questions that appear are specific to the type of assessment.
- The software will respond adaptively based on the answers provided. For example, instead of seeing “if no, skip to section 4” the software will take the user to the appropriate section.

# Informational Icons

Icons are included throughout the software.

Icon	Title	Purpose
	Menu	Click on menu icon to collapse / expand
	Home	Click on home icon to go back to assessments listing
	Help	Click on help icon for help.
	Sign out	Click on lock icon to sign out.
	Online	There is internet connection.
	Offline	There is no internet connection.
	Complete	Information is correctly and completely entered.
	Information missing	Mouse over the I Icon to find out more information.
	Question	Question icon will appear when a change is being made that may affect the assessment data entered.

# Alert Messages

Additional clarifying messages are provided.

You must complete the missing information prior to submitting the assessment.

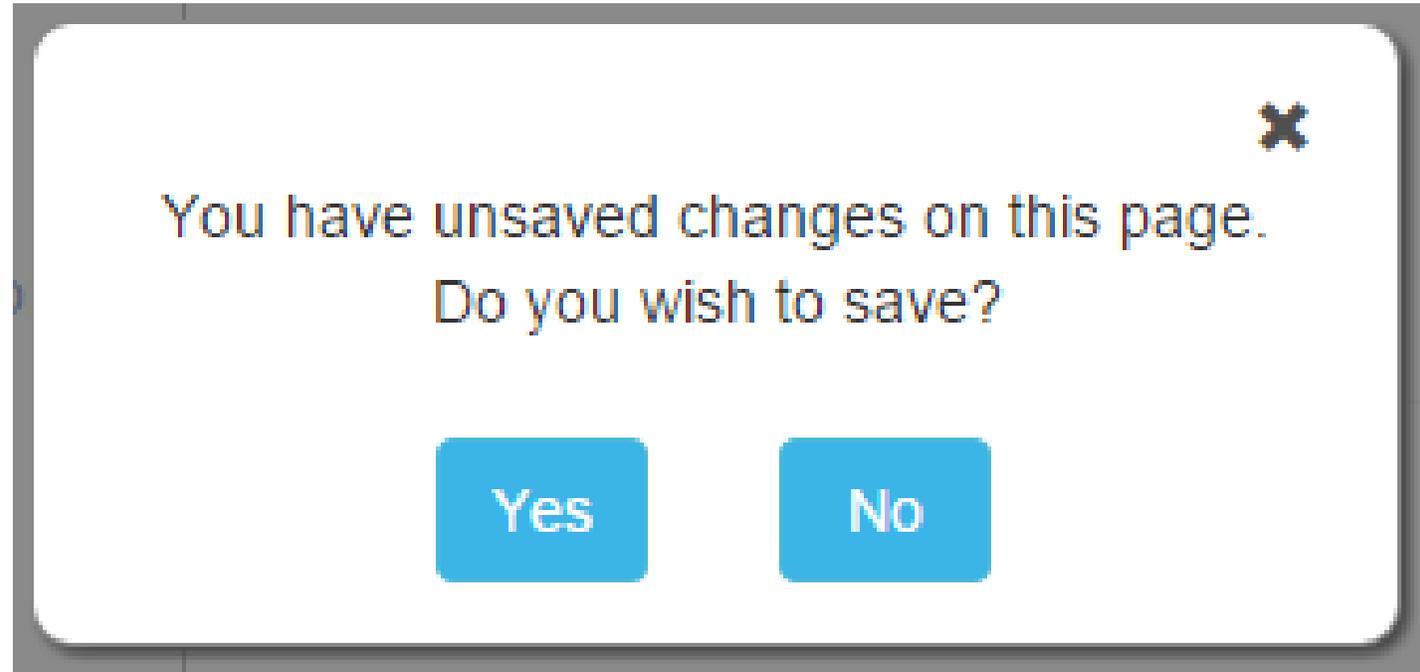

Section		
 SECTION I	Identification Information	<a href="#">Edit</a>
 SECTION III	Cognition	<a href="#">Edit</a>
 SECTION III	Mood and Behaviors	<a href="#">Edit</a>
 SECTION III	Psychosocial Well-Being	<a href="#">Edit</a>
 SECTION III	Functional Status	<a href="#">Edit</a>

# Alert Messages

Message appears when trying to leave a page without saving information.

# Confirmation Messages

Success of actions are communicated.

7. ID Information

a. Social Security Number    0

b. Medicare Number  
(or comparable railroad insurance number)

c. Medicaid Number    1231234567

d. KAMIS ID    770272

8a. Current Payment Sources

- Medicaid
- Medicare
- Medicare & Medicaid (e.g.dual enrolled)
- TRICARE-ECHO
- Self or family pays for full cost
- Private insurance
- Other per diem

b. Veteran Status

Veteran?    No

Spouse of Veteran?    No

Received Veterans Benefits?    No

9. Marital Status

10. Legal Guardian or DPOA Contact

- DPOA, Finances
- DPOA, Healthcare
- DPOA, Other/Unspecified
- Legal Guardian
- Designated representative

✓ Saved Successfully. Version 1.0

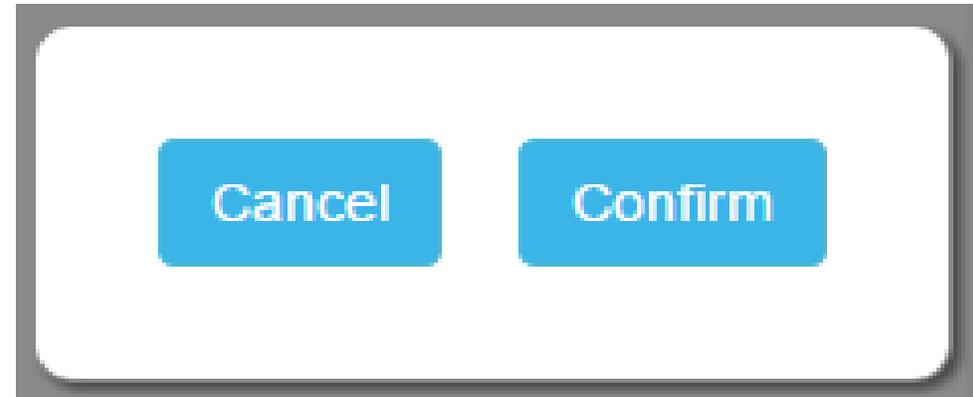

Kansas Department for Aging and Disability Services

# Partial Save

The software will allow to partially save information. When you click save on a partially completed screen, you will need to confirm the action.

In addition, when you move to another section before the current section is completed you will see the screen below and need to confirm the action.

# Data Validation

The software will communicate when fields have not been completed. Mouse over 'i' icon for more info.

d. Additional Persons Present at Assessment

Person 1 Name:	<input type="text" value="name 1"/>	
Relationship of Person 1	<input type="text" value="Select One"/>	
Person 2 Name:	<input type="text"/>	
Person 3 Name:	<input type="text"/>

# Signing Out of MFEI Online Tool

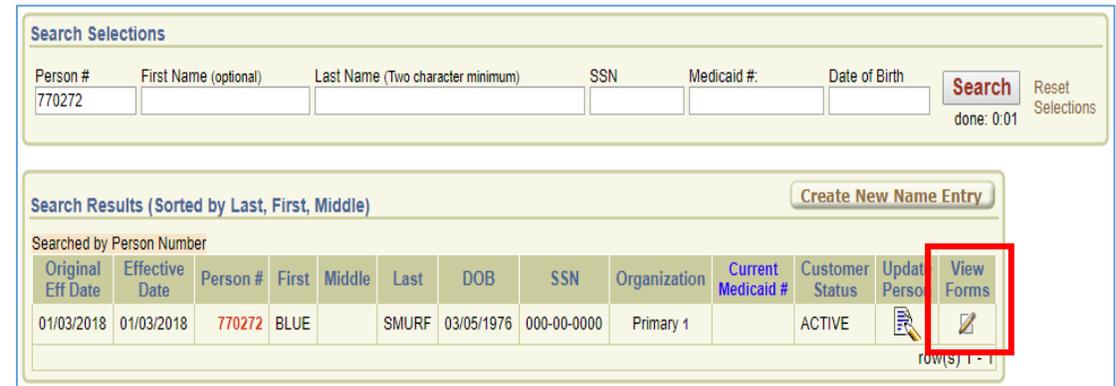

The screenshot displays the KDADS Web Applications interface. At the top center is the Kansas Department for Aging and Disability Services logo, featuring the state seal and the text "Kansas Department for Aging and Disability Services". Below the logo, the text "Welcome to the KDADS Web Applications" is centered. In the top right corner, a "Logout (5.0)" button is highlighted with a red rectangular box. Below the main content area, a navigation menu contains the following items: Home Page, Your Profile, Roles, Users by Role, User Search, Help, Hospitals, Login Records, Login Log, Email Logs, Role Summary, and Role Summary II. In the bottom right corner, a "DEVELOPMENT" banner provides version information: "Version: 4.2.3 2019/03/05@13:46:12", "Welcome: ASSESSOR TEST [12]", and "Logged in at: 2018/03/27@10:55:03".

# Returning to the assessment prior to completion

You can return to an assessment that is in progress by accessing it through the assessment listing.

- Log in to KDADS Web Apps
- Perform Person Search
- Locate assessment in listing / click on assessment
- Continue completing the sections

The screenshot displays the 'Search Selections' section of the KDADS Web Apps interface. It includes input fields for 'Person #', 'First Name (optional)', 'Last Name (Two character minimum)', 'SSN', 'Medicaid #', and 'Date of Birth'. The 'Person #' field contains the value '770272'. A 'Search' button is present, along with a 'Reset Selections' link and a 'done: 0:01' indicator.

Below the search section is the 'Search Results (Sorted by Last, First, Middle)' section, which includes a 'Create New Name Entry' button. The results are displayed in a table with the following columns: Original Eff Date, Effective Date, Person #, First, Middle, Last, DOB, SSN, Organization, Current Medicaid #, Customer Status, Update Person, and View Forms. The 'View Forms' column for the first result is highlighted with a red box.

Original Eff Date	Effective Date	Person #	First	Middle	Last	DOB	SSN	Organization	Current Medicaid #	Customer Status	Update Person	View Forms

# MFEI Offline Tool

The Offline Tool is utilized in the field to collect the assessment when there is no internet.

# Offline Tool Installation Process

- This is a one time process per machine.
- Must be installed on each machine to be used.
- Hardware readiness checklist requirements must be met.
- The Offline Tool must be downloaded in advance when there is internet access.
- Access the software download package on the KDADS website.

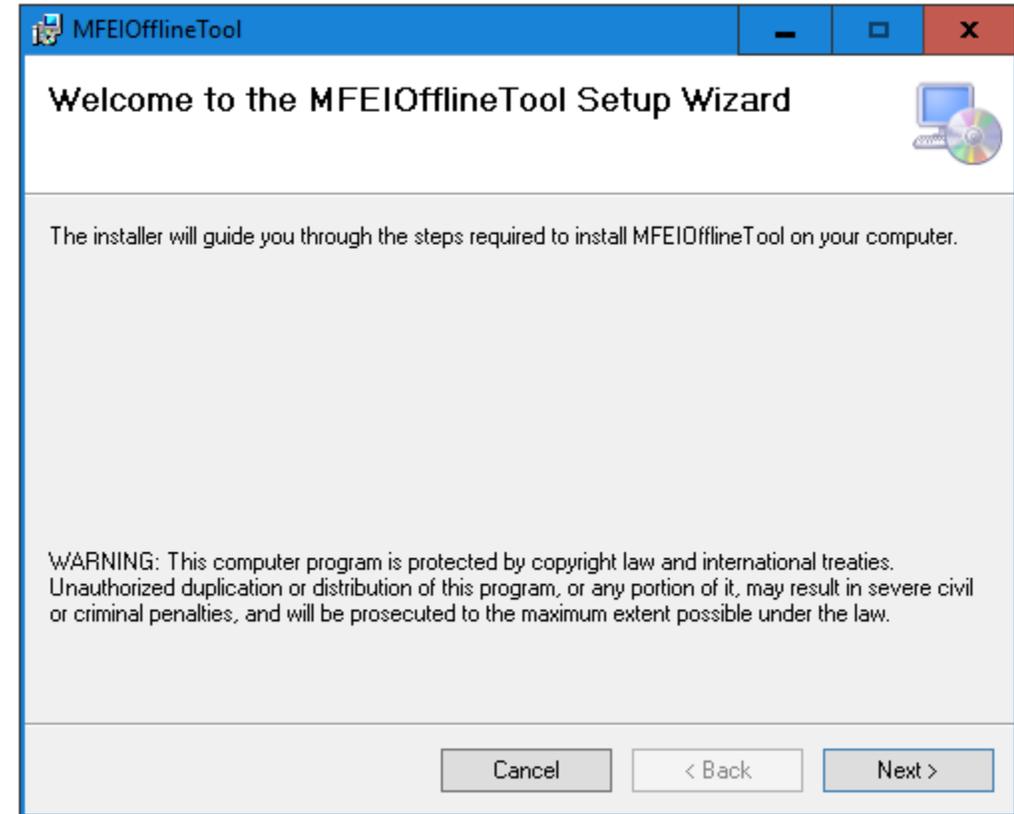

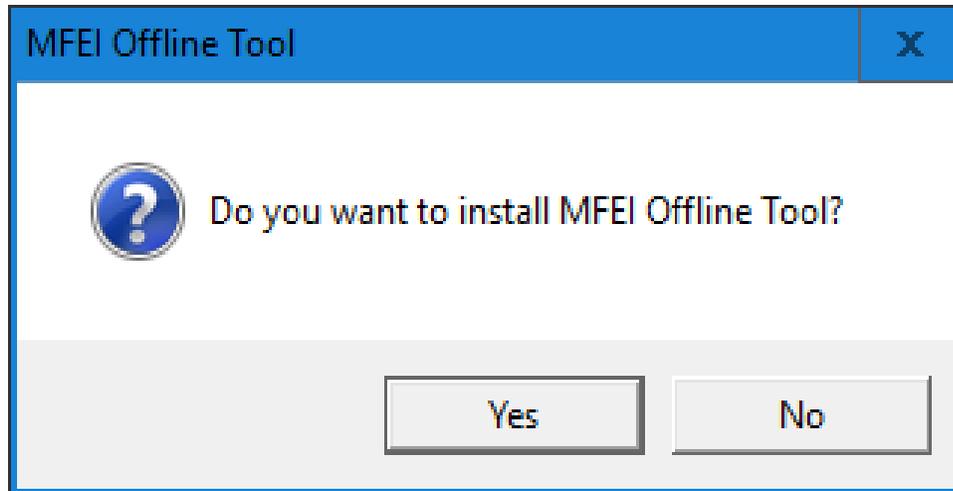

# Hardware Readiness Checklist

Component	Requirement
Operating System	Windows 7 or above
Processor	1 GHz or faster, x86-bit or x64-bit processor
Memory	1 GB or above
Hard disk	1 GB available disk space
Display	1024 x 768 screen resolution
Browser	Internet Explorer 11, latest version of Microsoft Edge & Chrome
PDF Reader	Adobe Acrobat Reader DC or 11.0
JavaScript	Enabled
.NET Framework	Version 4.5 is required and already included in the installer

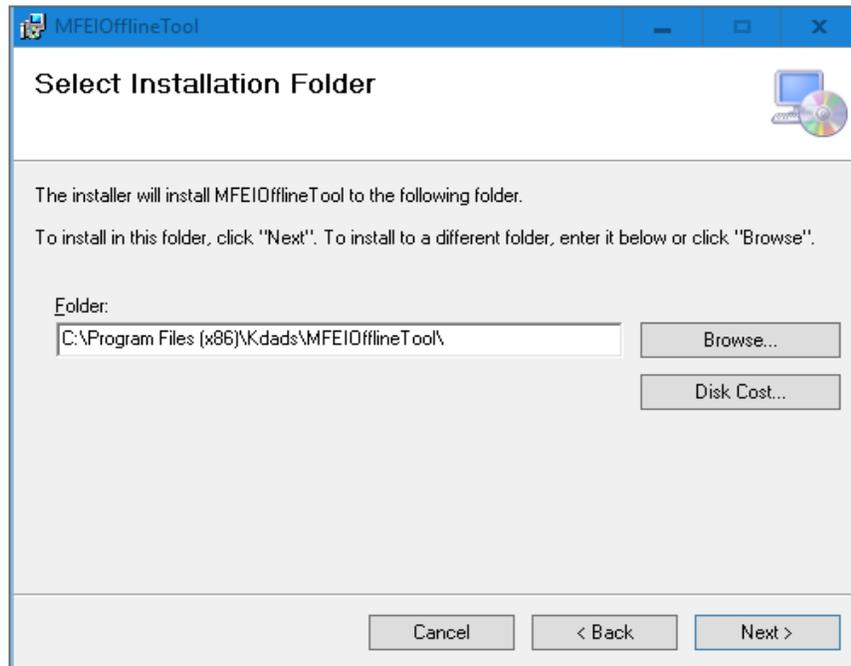

# Installation – One Time Process

The installer guides the user through the installation process.

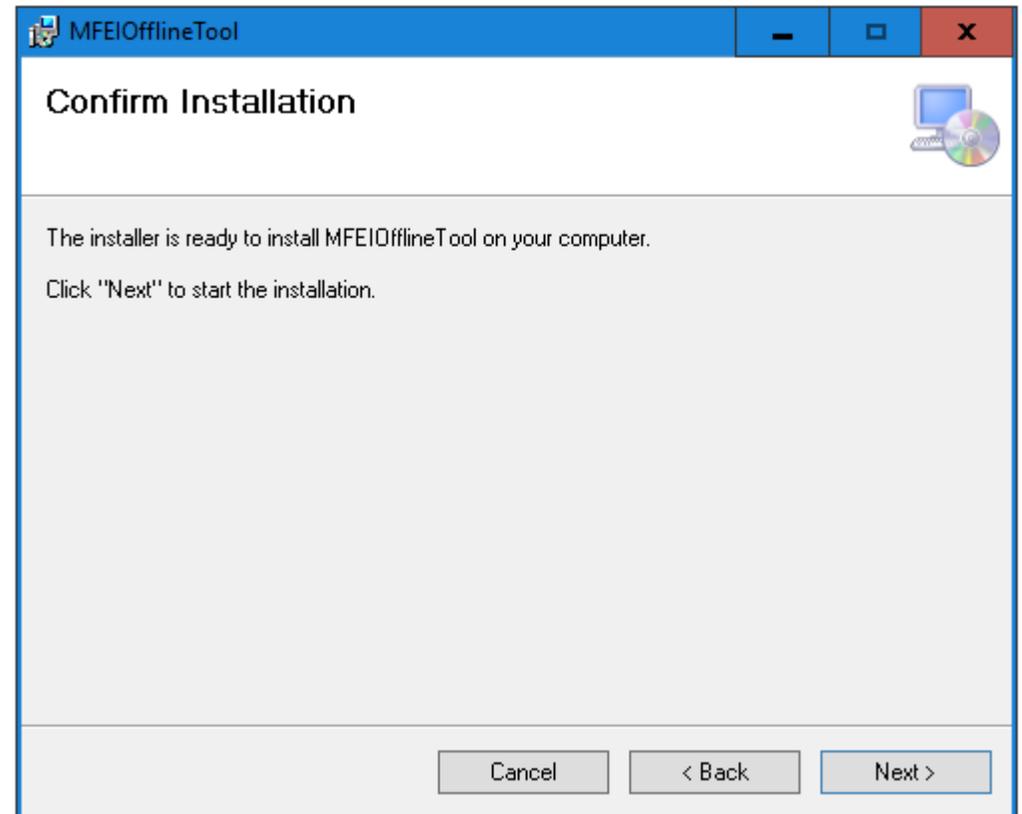

# Follow Instructions Provided

Identify where the software will be installed, then click Next.

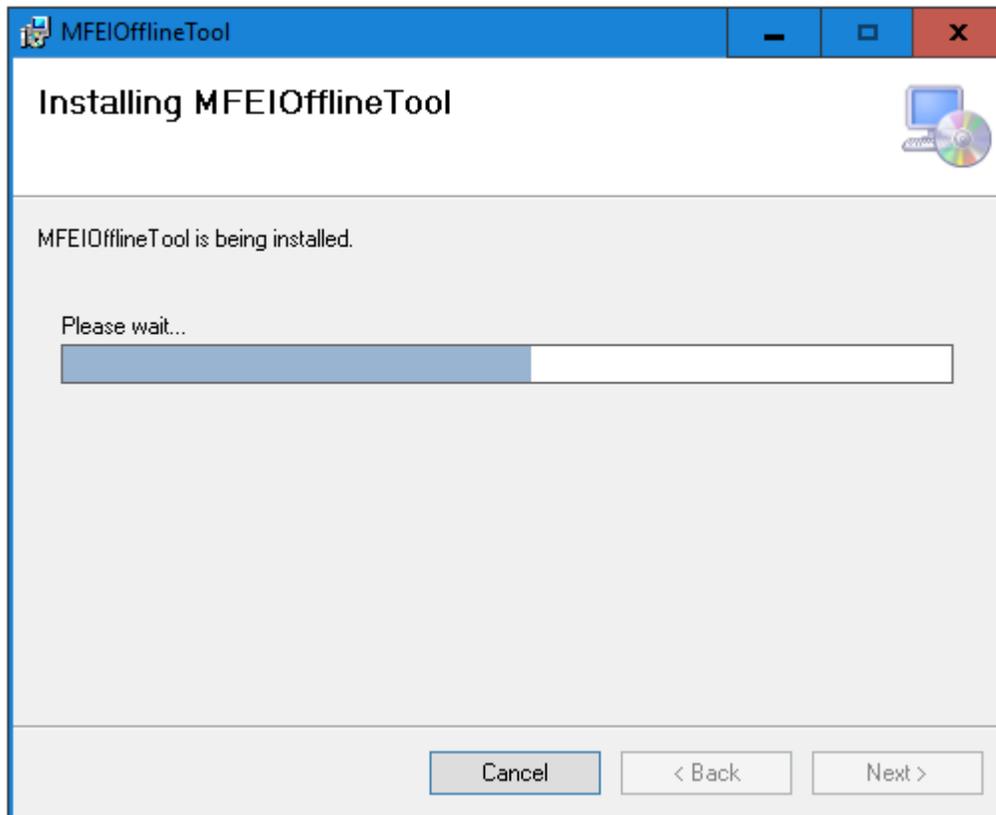

Confirm action by clicking Next.

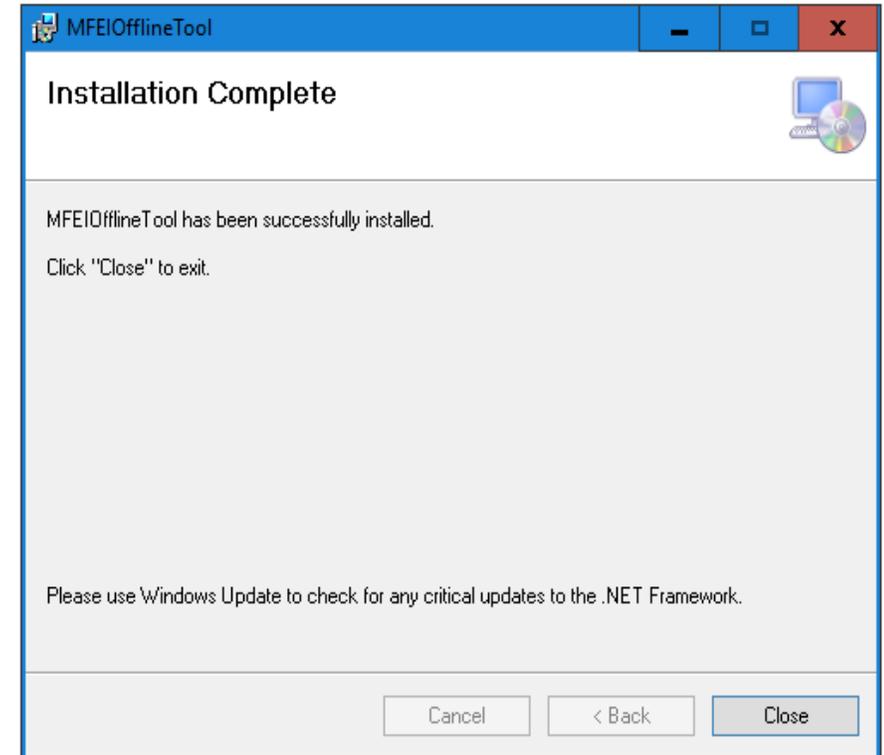

# Installation Progression & Completion

Progress screen will show.

Once installation is completed, click close.

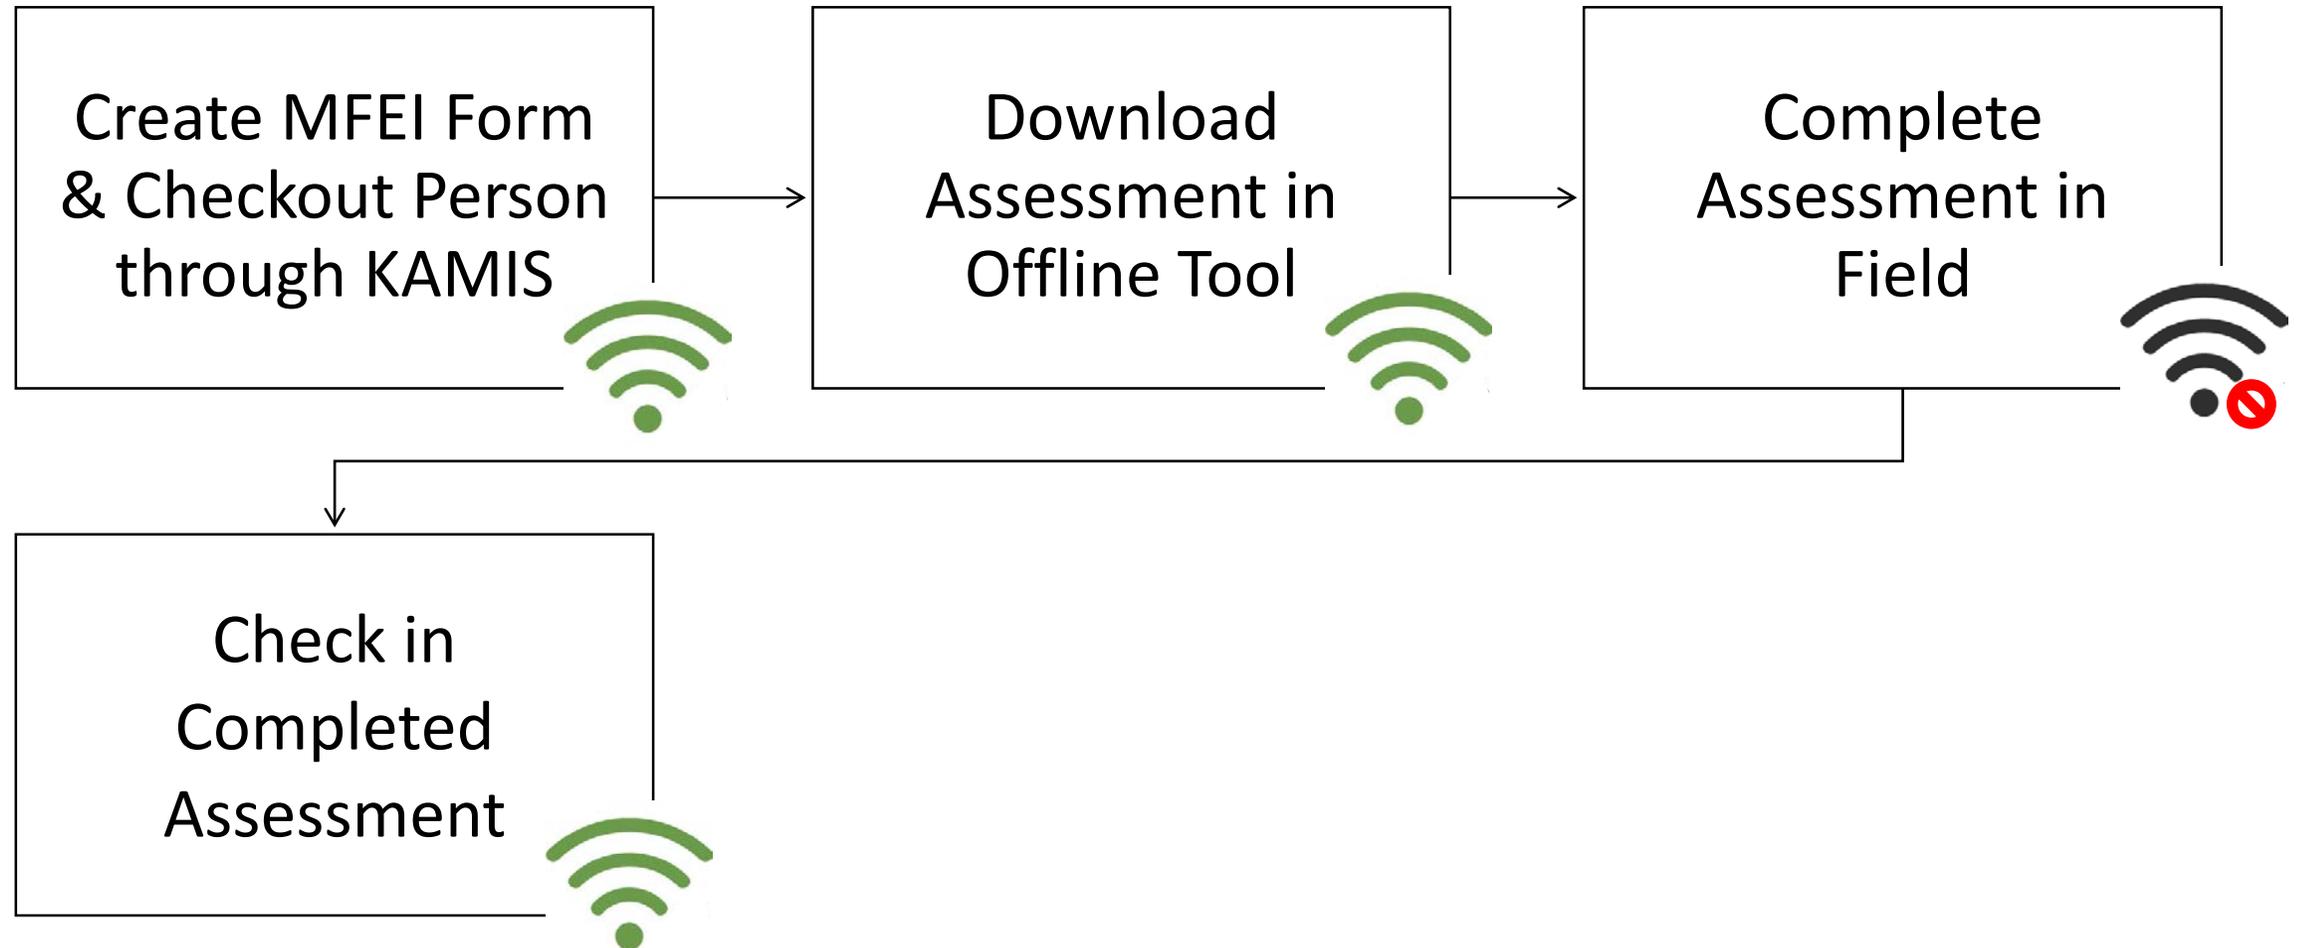

# Workflow using MFEI Offline Tool

The workflow in the next section will describe the steps that need to be performed when the internet is available (online mode) before going to the field and administer the assessment without the internet connection (offline mode).

# Workflow using MFEI Offline Tool

# When using MFEI Offline Tool

Internet is required for some of the steps when using the MFEI Offline Tool.

The system will inform you that internet is required when you initiate a step.

**Confirmation**

---

**Checked Out** 

This assessment is checked out to be completed in Offline Tool. Close the browser and launch the MFEI Offline Tool and follow the steps to create PIN and download assessment before you go into the field.

[Undo Checkout](#)

## Step 2

# Download Assessment Using MFEI Offline Tool

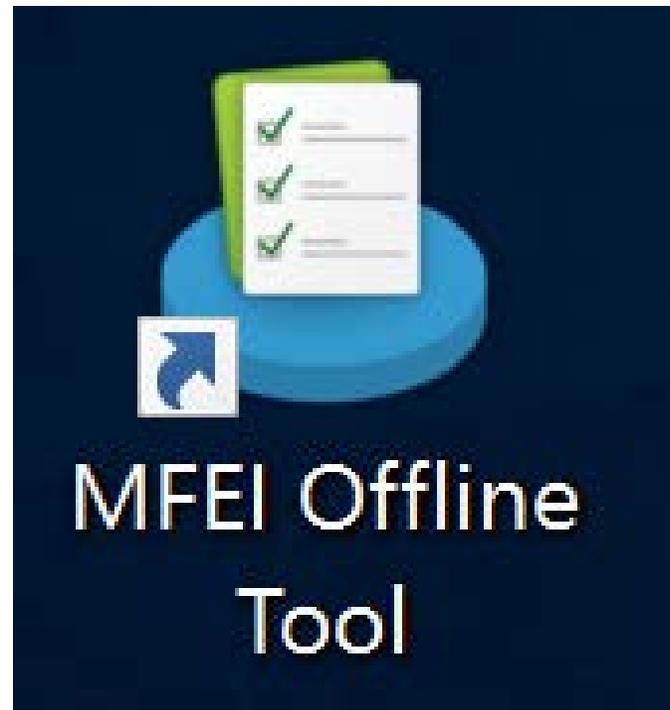

Internet Required

# Launch MFEI Offline Tool

On the machine that you'll be using in the field, double click on the icon to launch MFEI Offline Tool.

# PIN

## Sign-In

## Important Reminder

Before using the tool offline:

1. Go to [KDADS Web Applications](#) while connected to the internet
2. Sign in using KDADS login information
3. Go to KAMIS, complete the person search and check-out the record
4. Sign in to this tool while connected to the internet
5. PIN is auto-generated 6 digit number. See User Manual for more details

## First Time Access to this Machine (New User)

[Click here](#) if you are accessing this tool for the first time

## Trouble Signing in?

[Forgot PIN](#) for this machine

# PIN

The PIN is a security measure to allow access to the machine.

- First-time Access
  - PIN is auto-generated 6 digit number
  - Unique PIN is assigned per user per machine.
  - If user is utilizing multiple machines, they will need to generate unique PIN for each machine.
  - One PIN will not work on all devices.

# PIN

**i** Please enter your KDADS Web Application login to generate PIN. ✕

# Download Assessments

Click Download Checked-Out Assessments.

**ASSESSMENTS LIST**

The assessments you have checked out are listed below.

[Download Checked-Out Assessments](#)

KAMIS ID	Name	Status
There are no assessments downloaded. Click on "Download Checked-Out Assessments".		

# Downloading Assessments Complete Before Going into the Field

The software will authenticate user's credentials and the tool will automatically download the checked-out assessments.

The screenshot displays the 'MFEI OFFLINE TOOL' interface. A modal dialog box is open, titled 'Please enter your KDADS Web Application login to download assessment(s)'. It contains a 'KDADS Web Application login' section with a username field containing 'TEST' and a password field with masked characters. A 'Submit' button is at the bottom. In the background, an 'ASSESSMENTS LIST' table is visible with columns for 'KAMS ID', 'Name', and 'Status'. A loading spinner is present below the dialog. A large blue overlay box contains the text 'Downloading... Please wait. It will take several minutes to download all assessments.' Below this, a green box with a checkmark icon says 'Successfully Authenticated'. The text 'Version 1.0' is visible in the bottom right corner of the overlay. At the bottom left of the application window, it says 'Kansas Department for Aging and Disability Services'.

# Assessments Listing

Checked out assessments are listed. Now you're ready to go into the field.

# Section I - Identification

Consistent with MFEI Online Tool, the identification information is auto-populated from KAMIS. If this information needs to be updated, put notes in comments and update the information in KAMIS - Person Administration.

The screenshot displays the MFEI - LOCICARE interface for 'SECTION I: IDENTIFICATION INFORMATION'. The header shows 'KAMIS ID: 770272', 'Assessment ID: 1726168', 'Name: BLUE SMURF', and 'Organization: KOADS'. The left sidebar lists navigation options: 'SECTION I: IDENTIFICATION INFORMATION', 'SECTION III: FUNCTIONAL ASSESSMENT' (with sub-items like 'Cognition', 'Communication and Vision', etc.), 'Documents', and 'Review'. The main form area contains the following sections:

- Speaks:** ENGLISH
- Reads:** ENGLISH
- Understands:**
- b. Interpreter Used:** Radio buttons for 'Yes, formal staff', 'Yes, family/friend', and 'No'.
- 21. Disaster Risk (e.g. need for first response):** Checkboxes for 'Electric', 'Cognitive/mental health issues', 'Physical impairment', 'No informal support', 'Medication assistance', and 'None'.
- 22. Verify Accuracy of Pre-Filled Information:** Radio buttons for 'Accurate (no updates needed)' and 'Updates needed (indicate in notes and update person admin in KAMIS)'.
- 23. Person's expressed goals of care:** Text input fields for 'Major Goal' (Max 2000 characters), 'Primary Goal' (Max 20 characters), and 'Comments' (Max 2000 characters).

At the bottom, a note states: 'For a more accurate assessment, use all available sources of information, including participant interview, conversations with caregivers, observations, and review of available documents.' A 'Save & Next' button is located at the bottom right. The footer includes '© InterRAI, Inc. 1994-2017 (v. 1.2) | UPDATED MDS-HC 2.0 | www.interrai.org | Not an InterRAI item(s)' and 'Kansas Department for Aging and Disability Services Version 1.0'.

## Step 4

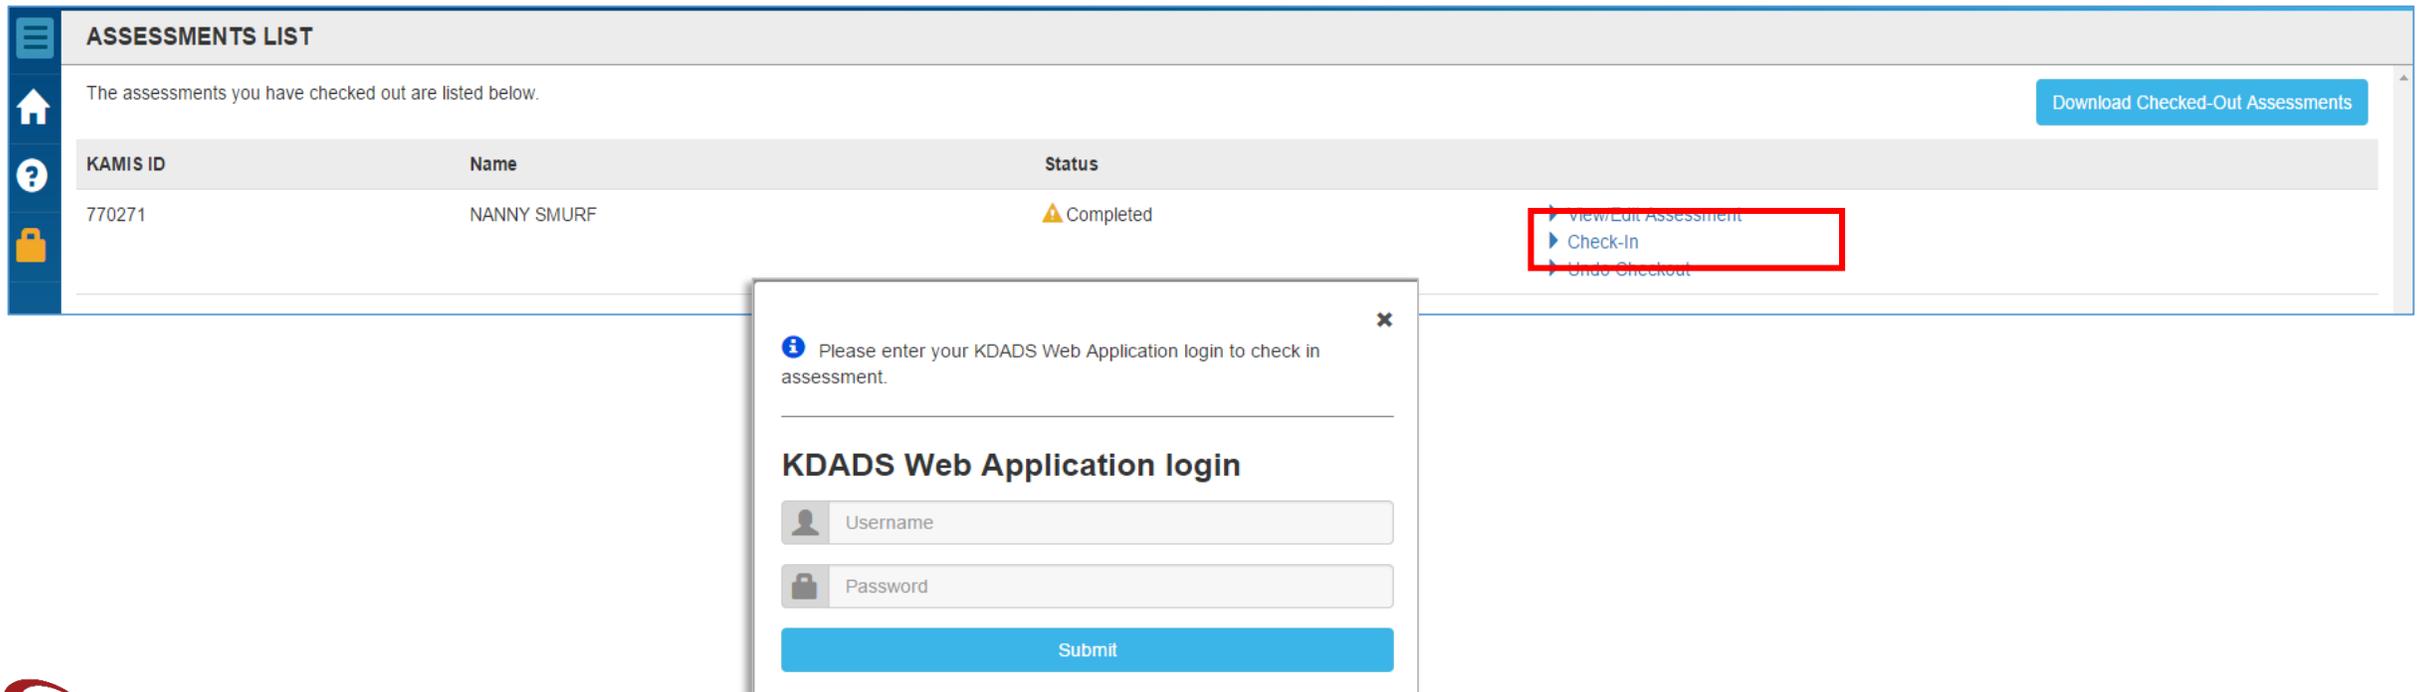

# Check-in Completed Assessment Using MFEI Offline Tool

Internet Required

# Check-In Assessment to KAMIS - Final Step

Internet is required for this step. Incomplete assessments cannot be submitted. Click Check-In Assessment to initiate the process.

The screenshot displays the 'ASSESSMENTS LIST' interface. A table lists one assessment with the following details:

KAMIS ID	Name	Status	Actions
770271	NANNY SMURF	Completed	<a href="#">View/Edit Assessment</a> , <a href="#">Check-In</a> , <a href="#">Undo Checkout</a>

A modal dialog titled 'KDADS Web Application login' is overlaid on the table. It contains the following fields and buttons:

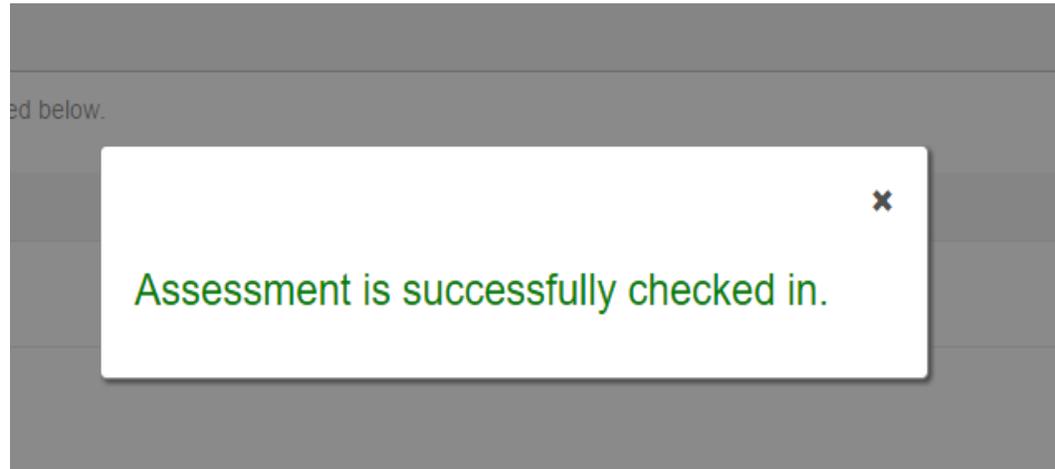

- Information icon and text: 'Please enter your KDADS Web Application login to check in assessment.'
- Input field: Username
- Input field: Password
- Submit button

# Confirmation

The software will communicate if the check-in process was successful.

# Delete Additional Files

- Upon successful submission, the software will automatically delete all entered data from the device.
- However, if you uploaded any additional documents that are residing locally on your device, you must delete those files from your device.

# In Summary

Data transferred

# Signing Out of MFEI Offline Tool

Click the lock icon to sign out of the software.

# A few additional things to keep in mind while using the MFEI Offline Tool...

- Timeframe for assessment completion
- Returning to assessment before submission
- Document upload after submission
- Forgot PIN
- PIN Lock
- Screen Lock

# Timeframe for Assessment Completion

You will have 7 business days after downloading to complete and submit the assessment.

On the 5<sup>th</sup> business day, you will see a warning indicating that you have 2 business days to complete.

**On the end of the 7<sup>th</sup> business day, the software will automatically delete the stale data and remove it from the device.**

# Returning to the assessment prior to submission

- Launch Offline Tool / enter PIN
- From assessment list, select the assessment to complete
- Complete sections
- Submit

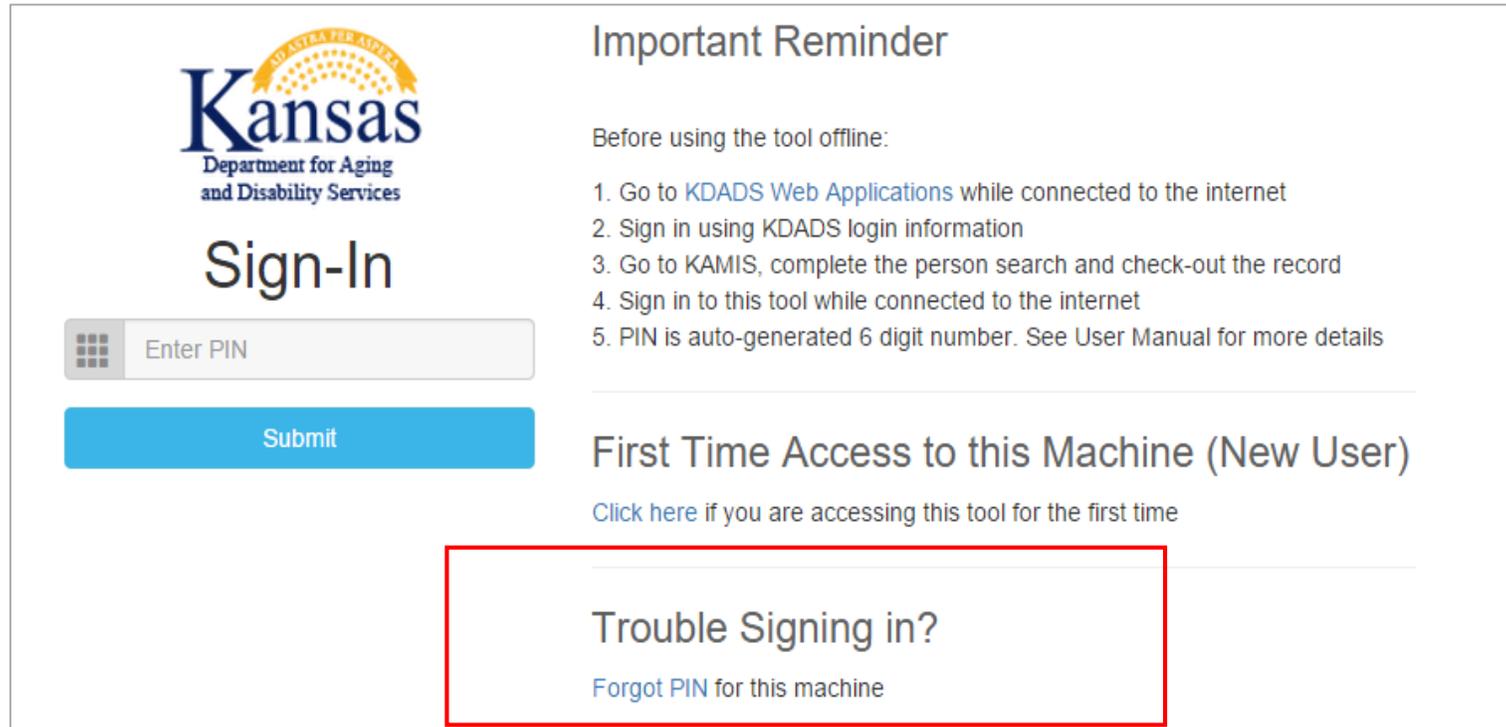

# Document upload after assessment has been submitted

- Log in to KDADS Web Apps
- Perform Person Search
- Locate assessment in listing / click on assessment
- Jump to the Documents left menu
- Upload documents
- Sign out of KDADS Web Application web page

# Forgot PIN

- PIN can be auto-generated by clicking Forgot PIN link.
- User must be connected to internet and will be required to supply their KDADS Web Application Login information.

  
**Sign-In**

Enter PIN

Submit

**Important Reminder**

Before using the tool offline:

1. Go to [KDADS Web Applications](#) while connected to the internet
2. Sign in using KDADS login information
3. Go to KAMIS, complete the person search and check-out the record
4. Sign in to this tool while connected to the internet
5. PIN is auto-generated 6 digit number. See User Manual for more details
