Planned maintenance for First Data AuthentiCare databases servers August 14, 2014:

This is a notice of upcoming planned maintenance for First Data AuthentiCare database servers from 6:00 PM CT Thursday August 14th, 2014 to 3:00 AM CT on Friday August 15th, 2014. Please advise workers that, in the event of an unexpected issue, we advise them to call back and try again.

Impact: There is a possible intermittent interruption to the WEB during this time. There are no planned interruptions of the IVR for worker check-in/check-out. First Data suggests you get all claims confirmation done during business hours on Thursday. Any claims confirmed during business hours will be ensured of being successfully exported.
