

# Kansas Nursing Facility Occupancy Compared to Capacity

May 12, 2017

(This pdf file is zoomable)

- “Bed Days Available” is calculated by multiplying the “Total Beds” x 366 days
- Note that bed changes throughout the year must be taken into account for the overall calculation

- Occupancy data pulled from most recent cost reports, 2016 where applicable
- 20 Providers were not required to submit a 2016 cost report, due to change in ownerships
