ICCoD Identification and Screening Across the SIM

- 9-1-1, Crisis and Warm Lines
- Enhanced 911/Rapid SOS
- MVP / Location
- Communication Need Inquiry
- Accommodation & Support Needs
- ICCoD Clinical Identification & Support
- Call center
- Telehealth
- Field-based Responders
- Standardized Obsv. /Form
- Case mgt. / Care navigator
- Acute Care Settings
- Interview: V, W, S/D
- Miranda Comprehension
- Data tracking
- MVP, location
- Nature Codes

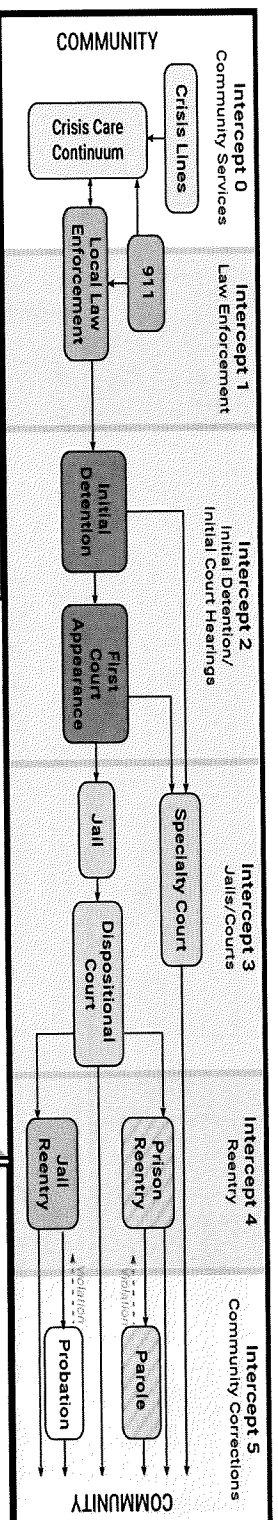

- Facilities: Jail/Detention/Community Corrections/Prison**
- 1st Responder Observations/form
 - Comprehensive Screening=Med/MH/SUD/I/DD, ABI, hearing and sight; medication
 - Accommodations and supports at intake
 - Shared information: EHR, HIE
 - Coordination: Medical/MH, civilian & uniform
 - Reassess: behaviors, discipline & accommodations
 - Programming/ Earn time: work, services and prgms
 - Reentry Planning and In-Reach Service Coordination
 - Pre-trial Services and Courts
 - Defense/SW ICCoD Questions
 - Victim Advocates and Investigators
 - Pre-trial Motions, Court Proceedings, Competency
 - Diversion Options
 - Treatment Court Eligibility
 - V, W, S/D Accommodations and Support needs; comprehension @ initial and subsequent contacts
 - Consultation with I/DD, ABI providers

- Intake**
- ICCoD "7s" PSI;
 - TBI Screen
 - A & S needs
 - Comprehension
 - Access to ISP/BSP
 - Biopsychosocial assessment
 - Eligibility and Availability
 - Community-based services
 - Technical Violations:
 - Reassess
 - A & S & C

Regina Hueter, rhueter@prainc.com, 720-635-5180

- Trained Staff; Universal Assumption; Intake & Subsequent Contacts / Data, Documentation and Policies
- History of need and services; providers; support/behavioral plans; accommodations and supports

ICCoD Cross-Agency Coordination and Collaboration Across the SIM

- Adapt core crisis response principles and training across: Police, Fire, EMS, Park Rangers, Security staff, Sheriff
 - Coordination across emergency, crisis and warm lines
 - Language to identify need
 - Sending right response
 - Collaboration across Co-Responders, mobile crisis, and Alternative Health
 - Coordinated transition to and from stabilization services and other care
-
- Coordination and between police, prosecutors, defense, courts and jail providers and uniform staff
 - Coordination between Medical/MH, civilian contractors, community providers, and other state departments
 - Coordinated reentry planning and reentry

- State agencies policies and funding support cross-agency coordination: I/DD, Disability, ABI, MH, SUD, Human Services, Courts, Corrections, housing
 - Funds are flexible to support convergence of resources and services; interagency agreements, higher rate reimbursement
 - Policy alignment across entities
- Collaboration with universities to improve workforce readiness; employers and others to create network of resources
- Coordination and data analysis between local, state and national ICCoD resources
- Common Release of Information (form or language) to include client Behavior Support Plans, accommodations, supports and other needs
- Cross-agency "Disability Support Team" maximize access to services; coordinated response to "familiar face" and complex care populations
- Cross-agency and provider training and ongoing communication
- Joint public education campaigns
- Integrated ICCoD trained peer, family and other supports
- Collaborative work with local advocacy groups
- Access and enrollment in benefits and entitlements

Comprehensive ICCoD SIM

ICCoD provides a comprehensive look at the intersection of

- (I) intellectual developmental disabilities,
- (C) cognitive disabilities,
- (Co) co-occurring mental health, substance use disorder and I/D or brain injury, and,
- (D) other disabilities

The following slides provide a comprehensive look at the following areas across the Sequential Intercept Model (SIM)

- Coordination and Collaboration
- Identification and Screening
- Deflection and Diversion to services
- Accommodations and Supports
